WORK EXPERIENCE

Sep 2011 - Jul 2021 **Production Manager**
Engineer, Khartoum / Bahri

My first job at Sama Engineering Company was a shift engineer. I was responsible for the machine for producing hygienic disposable diapers and gradually worked in Sama Company and With my hard work and commitment, I was getting promotions constantly until I became a director of "tissue line production manager", next to my other role in installing all the other lines, "liquid soap line" And Bar Soap Line. I hope to be accepted into your company and I will work hard in developing the company

EDUCATION AND QUALIFICATIONS

May 2007 - Jul 2011 Sudan University of Science and Technology, Kharto

During my university period, I practiced many academic activities and cultural and scientific activities. I participated in the annual engineer week at the University of Sudan, and it was wonderful experiences. The experience of my graduation project was a "modern center for car services and maintenance" and it was a real scientific addition to me and my colleagues. We gained many academic and scientific experiences during the period the University
