Since: October 2016 to June 2017

Previous Employer

Company: Nectar life Science (Baddi) Himachal Pradesh

Manufacturing unit for dosage forms (Tablets and Injectable). The unit has the approvals of ANVISA, EU (EUROPEAN UNION) and USFDA.

Post: Executive

Since: JUNE 2014 to June 2016

JOB PROFILE:

- Preparation of Stability Protocols as per ICH Guidelines or any country specific requirements.
- Preparation of Stability schedule as per Stability Protocols for Stability products.
- Management of Stability chambers and monitoring their temperature and Humidity records.
- Preparation of Working Standards.
- Preparation of Stability Summary Reports for tabulated and graphical presentations.
- Review of Stability data for accuracy and compliance.
- Review of calibration and Qualification documents for their accuracy and completeness.
- Handling of HPLC and GC Column.
- Handling of Capex.
- Analysis of Stability samples (Tablets, Capsule, and Syrups)
- Analysis of in process and finished Product samples.
- Preparation of Analytical Reports as per GLP.

Previous Employer

Company: Glenmak Pharmaceutical (Baddi) Himachal Pradesh

The unit has the approvals of ANVISA, EU (EUROPEAN UNION) and USFDA.

Manufacturing unit for Injection, Capsule and Tablets. **Post:** Officer

Since: December 2011 to May 2014

JOB PROFILE:

- Analysis and sampling of Raw Material
- Analysis and sampling of Packing Material
- Analysis of Stability Samples.
- Calibration of Instrument.
- Review of Stability, Raw Material and GLP Data.
- Analysis of in process and finished Product samples.
- Preparation of Analytical Reports as per GLP.
- Preparation of Working Standards.

Handling of following Instruments:

- Operation and Calibration of High Performance Liquid Chromatography.
- Operation and Calibration of Gas chromatography.
- Operation and Calibration of Atomic Absorption Spectrophotometer.
- Operation and calibration of U.V Spectrophotometer.
- Operation and calibration of FTIR
- Operation and calibration of Dissolution.
- Operation and calibration of viscometer
- Operation and calibration of Auto-Titrator.
- Operation and calibration of Karl fisher
- Operation and calibration of DT Apparatus.
- Operation and calibration of Friability Test Apparatus
- Operation and calibration of Refractometer.
- Operation and calibration of Melting Point Apparatus.

Technical Skills:

- Proficiency in MS-Office (MS-Word, Excel etc.)
- Result Recording and usage decision in System application and Products in data processing
