

Dear Manager*

Good Day,

for the entire time we've been acquainted, I have been in the field of Information Technology Industry. Although I have enjoyed some years of experience in database management, Computer Application, data communication, and networking enriched with various IT Infrastructure and Customer Experience, I feel it is time for a change.

I believe my enclosed resume demonstrates that I have a reputation as a self-sufficient, innovative problem-solver with a background in teamwork and superior performance. I also believe that I could be just the type of employee that companies in this industry are searching for.

I would appreciate any advice or referrals you might be able to give me and will be in contact with you early.

Yours

Sincerely,
Mujahid
