

Name: Abdulbagi ELSanousi Basher Musa

Personal data :

Nationality: Sudanese	Date of Birth: 01/03/1992
Gender: Male	Marital status: Single
Address: Turkey / Kocaeli / Izmit / Serdar Mah. Arizli ced.	Email: alsanousi06037@hotmail.com
Phone :00905541603558, 00249910587881	Hobbies: Football, Swimming

About My Self :

I'm Abdulbagi Elsanousi , 27 years old I graduated from future university faculty of Telecommunication Engineering by first class , I got chance for training at NMC department (MTN) then I worked as FO engineer. I have finished my master degree at Kocaeli University in wireless communication.

I have good information In GSM and network; I have ability to work under stress and easy to learn.

Graduation Project :

- Point to point Communication using Multi frequencies (Undergraduate project)
- USRP Implementation of Convolutionally Encoded OFDM and MIMO-OFDM (Postgraduate project)

Qualifications :

- ✓ Bachelor of honor in the Telecommunications Engineering - Future University, "first class" (2013)
- ✓ Master degree in Electronic and Communication Engineering – Kocaeli University (2019)
- ✓ ICDL certificate
- ✓ CCNA course
- ✓ Creativity and Management Techniques
- ✓ Diction and Body language
- ✓ Entrepreneurship

Personal skills:

- ✓ Good at communication and self management .
- ✓ Good at social interactions
- ✓ Good at organizing and time management
- ✓ Technical Competency
- ✓ Work Ethic
- ✓ Flexibility
