PROJECTS

Dabbah Project: Floppy Irrigation System Project (18,000 Acres). (09/2012 – 12/2018)

- Agricultural Project with all its components (Irrigation System, Piping Network, Electrical MV Grid, Earthworks, Civilian Facilities, Automation System, Wells Drilling, VTP Pumps Installation).
- Electrical MV Grid (33KV X 200KM) and more than (120) of Transformers, Softstarters and Capacitor Banks.
- Automation System (Design, Installation, Commissioning, Operation and Maintenance) for more than (120 RTUs).
- Wells Drilling for about (120 Wells), UPVC Casing and Carbon Steel Casing.
- Pumps Installation for about (120 Pumps), VTP Pumps (Installation, Operation and Maintenance).
- Installation of Wooden and Steel Structure which carries the overhead Irrigation Pipes.
- Welding of (210 KM) of PE100 Pipes (Buttfusion Welding and Electrofusion Welding) including the fittings and Valves.
- Installation of Water Filters and Fertilization System.
- Earthworks and Roads Works for more over than (20,000 Acres).

Al-Zubara Project: Pivot Irrigation System (5,000 Acres) (12/2015 – 12/2018)

- Operation and Maintenance of (35 Pivots).
- Operation and Maintenance of Pumping Station at Nile River Bank (Capacity = 11,000 QM/H).
- Installation, Operation and Maintenance of Fertilization System.
- Operation and Maintenance of Pumps (35 Pumps).
- Earthworks and Road Works for about (6,000 Acres).
- Electrical MV Grid (33KV X 50KM) and about (40) of Transformers, Softstarters and Capacitor Banks

Double Pressed Bales Factory (04/2018 – 10/2018)

Livestock Project - Amtaar Livestock (04/2017 – 10/2018)

- Livestock Project with its all components (Feeding System, Cooling System, Water Supply System, Shading System and Weighting Scale Platforms).

Um-Durman Agricultural Project (05/2017 – 12/2017)

- Agricultural Project with all its component (Irrigation System (Floppy Irrigation, Drip Irrigation), Electrical Grid, Automation System, Piping Network, Civilian Facilities, Earthworks, Wells Drilling and Pumps Installation).

RAJHI Farm Floppy Irrigation System (01/2016 – 02/2016)

Floppy Irrigation Automation System (01/2013 – 01/2015)

- Design, Test and Install a customized Automation System for Irrigation System.

NADEC Project (Pivot Irrigation System) (01/2015 – 06/2015)

- Installation, Commissioning and Maintenance of Pivot Irrigation System (Including all components of Pumps, Pipes and Pivots), in addition to Earthworks and Land Preparation.

EDUCATION

MBA of Projects Management

Um-Durman Islamic University / Faculty of Strategic Management (Khartoum, Sudan)

09/2014 – 04/2019

Excellent Degree

Thesis

- Effect of Strategic Planning on Managerial Decisions in Construction Companies.

BSC of Computer Engineering and Networks.

Faculty of Engineering Technology - Balqa' Applier University (Amman, Jordan)

09/2007 – 01/2012

GPA (2.79 / 4.0)

General Secondary Education / Scientific Stream

The Great Arab Revolution Secondary School (Zarqaa, Jordan).

09/2006 – 07/2007

GPA (83.6 / 100)

CONFERENCES AND COURSES

Project Management Professional Course (PMP). (09/2016 – 10/2016)

Preparation Course of PMP Exam.

Projects Cost Management (02/2019)

Planning and Scheduling Theories. (06/2018 – 07/2018)

Construction Contracts (Preparation and Management) (10/2018)

Construction Projects Contracts (FIDIC).

Import and Export (12/2018)

International Trade and Letter of Credit.

Advanced Procurement Contracts Management (12/2018)

Procurement Contracts Management based on ITC Regulations.

Customer Seminar: Water and Waste Water Industry (09/2014 – 09/2014)

Endress and Hauser International Company Seminar (Automation Instruments).

World Future Energy Summit (WFES) (02/2019)

Solar Power and Renewable Energy Forum in Abu Dhabi. UAE.

Projects Risk Management (03/2019)

PMI-RMP Certificates Preparation Course

Business Analysis (03/2019)

PMI-PBA Certification Preparation Course.

Primavera Software Management (Expert Level)

Pumps (Selection, Installation and Maintenance) (05/2019 – 06/2019)

Accounting Principles (For Non-Accountants) (09/2016 – 10/2016)

Customer Seminar: Water and Waste Water Industry (10/2015 – 10/2015)

Endress and Hauser International Company Seminar (Automation Instruments).

HUAWEI UC Products Training (12/2012 – 12/2012)

This Training about HUAWEI Products of Networking Systems.
