

Abdel Magied Mahmoud El-Adl
Mobile no. : +2 01001444357

Email : amagiedm@gmail.com

Career objective:

Seeking a challenging position in a company where I can utilize my Engineering experience. Where the company better serve its customers and the department operates safely and efficiently.

Education

First University Degree	B.Sc. Engineering
University	Mansoura University
Faculty	Engineering
Major	Mechanical Engineering
Graduation project	<i><u>Design & Manufacturing a prototype of a full Automatic packaging machine</u></i>
Grade	Very Good
Project grade	Excellent
Graduation year	1998

Other courses

- 1- Design & Maintenance of Pneumatic systems.
- 2- Design & Maintenance Hydraulic systems.
- 3- Operation & Maintenance of Compressors.
- 4- Operation & Maintenance of Boilers.
- 5- Operation & Maintenance of Industrial chillers.
- 6- HVAC System, Design & Maintenance.
- 7- Design & Maintenance of Fire Fighting Techniques
- 8- Project Planning Techniques.
- 9- AutoCAD 2D&3D.
- 10-British Retail Consortium
- 11-BRC workshop.
- 12-Italian Language (primary level)

Spoken Languages	-	
	Arabic	: Native
	English	: Very good
	French	: Fair
	Italian	: Good

Computer skills	AUTOCAD 2D-3D, Ms. Office; Internet
-----------------	-------------------------------------
