### Implementation Project Manager

10/2015 to Current

**Huawei Technologies Co., Ltd** \_Khartoum, Khartoum.

The primary responsibility was to lead a success implementation for the projects according to the Time plan, Quality and the Budget as the customer & internal company target.

The process start when the project was opportunity by preparing the Initial budget & Risks for the sales team before signing the contract with customer. when the customer sign the project contract we proceed the actual work by (prepare & discuss the actual budget with the top management , held meeting with customer to clear the Responsibility & they needed requirement , discussion meeting with project team about all project scope plus the target , divided the subcontractor sharing according to their available teams & their qualification , issuing the PO for the subcontractor , manage the subcontractor to achieve the needed Time Plan ,make sure the all sites accepted from customer and finish the invoicing with customer . below are the project that i was implemented :

- For MTN 3G PH & PH2 (MW+ Radio).
- For MTN LH BB swap. MW
- For MTN IP RAN.
- For MTN 2017 LOT1 & LOT2. (MW, Radio& VSAT).
- For ZAIN USF-Rural coverage project .(new sites + solar)
- For ZAIN PH22 -2G expansion.
- For ZAIN cloud Air in Region area.
- For MTN 2018 PO1 MW.
- For MTN BSCs & RNCs swap.

**Project Coordinator****06/2015 to 10/2015****Black Rock Company Co.Ltd** \_Khartoum, Khartoum.

It was Subcontractor Company, we supported the vender (Ericsson) to catch their customer Target .Since I received the share & detailed scope from the vender. Start preparing the Budget (allowance ,Tools and cars ) ,Risk , the teams , send the implementation Time plan, attend vender & internal meeting , follow with teams the installation progress , send daily report to vender , make sure to finish the project in the good quality plus Targeted time and in the estimated budget , deliver the project to the vender , get the acceptance and invoicing . We get the vender trust & their satisfaction in below project.

- Zain PH20 Project (modernization all Khartoum network 180 sites).
